The Massachusetts Comprehensive Assessment System is a series of tests given to public school students in Massachusetts that measure students' progress toward meeting state educational standards.

These are challenging tests so it is crucial that your child **gets adequate rest the night before and a healthy breakfast in the morning.** The students have been practicing test-taking skills to diminish any undo stress during this time. Please encourage your child to do his/her best and be sure to take time with each task.

The English Language Arts testing schedule is as follows: Math testing will be in May.

## MCAS (ELA) Schedule - Revised
