## **Westhampton Public Library Summer Reading Adventure**

Go Green @ Westhampton Public Library this summer! Starting June 14, kids can sign up for Summer Reading Adventure at the library or online at <http://www.readsinma.org/westhampton>. Complete a reading log to receive a small piggy bank, partly made from recycled dollar bills, and get entered into a prize raffle. Our summer schedule emphasizes the environmental theme with two programs on threatened animals, Fascinating Frogs and Wolf Talk. Our kickoff event, on June 28 at 6:30, is Alex the Jester, whose surprising and silly comedy appeals to all ages.
