

# WESTHAMPTON ELEMENTARY SCHOOL

## Survival Center Kids' Summer Food Program

The Northampton Survival Center will be offering their Kids' Summer Food Program to eligible children through the Hilltown Pantry in Goshen. Children living in Westhampton who receive free or reduced lunches through the school are eligible to receive food through this program, which provides free groceries for breakfast and lunch during summer vacation.

Beginning on June first, eligible families may pick up food from this program. The Goshen pantry is open every Wed. from 1-3 and until 6 on the third Wed. of every month. Please bring a current proof of each child participating in the program (MassHealth card, doctor's bill, letter from the school indicating child's name and address) and a proof of your address (recent piece of mail, current bill, or current driver's license).

Call the Hilltown Pantry at 413-268-7578 or  
the Survival Center at 586-6564 if you have any questions.

Please note that  
**COMMON AREA** has  
been changed from  
the 12th to the 19th.

## Looking for a Father's Day Gift? **PTO has the perfect idea!**

Help support your WES PTO by purchasing Golden Nozzle Car Wash Certificates, an \$8 value for only \$4 each! Each certificate purchased earns \$1.25 for the PTO!

Currently, there is a supply of just under 100 and they will be sold on a first come, first served basis. Orders will be filled on 6/12 and 6/19. June 19th will be the last day for car wash certificate sales for this year. Please make checks payable to WES PTO.  
Thank You!

## PJTM Food Drive

We are collecting Peanut butter, Jelly, Tuna fish and Macaroni and cheese to donate to the Northampton Survival Center for their summer food program for area school children. Boxes are located in the Common Area. Help us reach our goal of 100 items! Donations will be accepted through June 19. Thank you to all in advance!
